Nerf Wars Information

The Morris Area Public Library is excited to announce a new event taking place in March called Nerf Wars! This program is for grades 2nd through 8th and will require registration.

In order for children in grades 2nd through 5th to sign up for this program, they must read a book and fill out the questions on the other side of this slip. The MAPL loves putting on a variety of programs and activities for people of all ages, but our favorite events are ones where we can share the importance of reading with others. Thank you for participating in our programs and encouraging your child to read.
