Experience Music and Movies in the Park at Goold Park

Morris, IL - August 6, 2024 - The Morris Area Public Library invites the community to Goold Park for an enchanting evening of live music and a special movie screening on Friday, August 16. Our annual cultural event promises to be a memorable experience for all ages.

Barbershop Quartet Performance by Take Note

The event will kick off at 6:30 PM with a delightful performance by the talented barbershop quartet, Take Note. Barbershop quartets, known for their harmonious melodies and rich history, will captivate the audience with their unique blend of vocal prowess and nostalgic charm. Originating in the early 20th century, these groups are characterized by close four-part harmony, featuring lead, tenor, baritone, and bass voices. Their distinctive a cappella style relies solely on vocal precision and musical intuition to create intricate chords without instrumental accompaniment.

Immerse yourself in the timeless harmonies and toe-tapping tunes of barbershop classics performed by these skilled vocalists. From nostalgic melodies to lively arrangements, the quartet promises to enchant audiences of all ages with their captivating blend of voices and camaraderie.

Special Screening of Mary Poppins

Following the musical performance, stay for a special screening of the beloved classic film, Mary Poppins, as part of our Movies in the Park series. Bring your friends, family, and picnic blankets for an unforgettable cultural experience under the stars. A food truck will be on-site, offering delicious treats to complement the evening's festivities.
